- Use only sulfate-free shampoo/conditioner. Professional products are available here for purchase/home use.
- For best results, leave a minimum of one full week (7 days) before another chemical treatment.
- If you are unhappy with your color for any reason, please contact The Day Spa as soon as possible. Our goal is your complete satisfaction. If over-the-counter color product/"box color" are used or if hair is tampered with post-service, we will not be able to adjust your color. The Day Spa does not offer cash refunds for hair services.
